

Summer Reading 2021

We are on the edge of summer, and Mrs. Ebenhoe is excited to share information on summer reading with you!

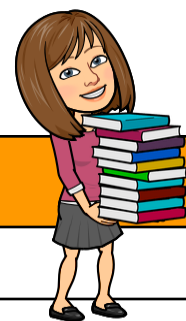

Why read in the summer?

- To prevent summer slide, of course. When you return in September, you will be ready to learn because you never stopped!
- The more you read, the more your brain grows.
- To spend time with your parents, siblings, and pets.
- To visit your local library. Don't forget to join the

summer programs and fun activities!

- Read this packet for lists, challenges, and suggestions.

I have created a Wakelet with links to many of these online resources and lists. Scan the following QR code or type in this link: <https://wakelet.com/i/invite?code=1ca324a> to get more great summer reading suggestions.
