CCHS COLLEGE PRE-APPLICATION PACKET

- Please note: This packet is not designed to be completed in one session.
- You should answer a few questions at a time to allow sufficient opportunity to reflect upon and to formulate well thought out answers.
- You may download the electronic version from our website and submit it electronically or in paper format.

You must complete the following and submit to your School Counselor and/or teachers at least one month before your letter of recommendation is needed:

√ **AUTOBIOGRAPHY**

This document is designed to help you engage in the type of self-reflection that is critical at this point as a way of helping you determine those things that are most important to you. This information is what will guide you as you start looking for colleges. In addition this document will be a very valuable tool for your counselor and/or teacher(s) as they write your letter of recommendation.

√ **STUDENT ACTIVITY FORM**

Here again this is an important exercise designed to help you to decide which activities/experiences you may want to highlight in your applications. This is also obviously important information to share with your counselor and/or teacher for use in the letter of recommendation.

√ **PARENT QUESTIONNAIRE**

Who knows you better? This is not only an opportunity for your parents to brag about you, it is information that can provide some unique insights to you as a person. The answers to these questions are often highlighted in your counselor's letter of recommendation.

√ **PEER REFERENCE**

Sometimes a close friend can provide some special insights into your personality and character - also useful for your counselor and/or teacher.

When you complete your college application, there will be a FERPA waiver within that application as well as a question about whether or not you will waive your right to review your recommendation letters. Please see your counselor for any questions regarding this waiver.

AUTOBIOGRAPHY

As part of your college application, your counselor is responsible for completing a “Secondary School Report”, which includes a letter of recommendation. The counselor hopes to present a sense of your promise for further personal and intellectual growth. In order to convey the qualities that make you “you”, we need an honest assessment of yourself, what you have done, and what you intend to do.

Please take the time to think about who you are and where you are headed. Don’t limit yourself to discussing only your school experiences; incorporate experiences and activities drawn from any part of your life, and *please be specific*.

We recommend that you make a copy of this autobiography to assist you in writing your college applications.
