

ALLERGY AWARENESS SEATING WAIVER

For health and safety, it is preferred for students who have a food allergy to sit in the ‘allergy awareness’ areas of the cafeteria. Although no area can be guaranteed free from all allergens, designated allergy awareness areas are cleaned separately from the other cafeteria tables. Staff are aware of these areas and understand that children sitting in them have a food allergy. Please sign below if you do not want your child to sit in the allergy awareness area and return this document to your building’s health office.

I _____ give my child _____ permission to sit in areas that are not designated as ‘allergen aware’. I understand this means children sitting near my child may be eating food that contain the allergen that my child is allergic to.

Parent/Guardian signature _____

Date _____

This document is valid for the current school year only. A new waiver must be completed each school year.
