

Mrs. Wright

Supplies: A ruler, 3-ring binder (2 inch), a folder and a stylus are recommended. A scientific calculator will be used during most lessons. I strongly recommend purchasing one of these models: Texas Instruments TI-30IIS or TI-34 II, Sharp EL 531. If you would like, you may leave the calculator in its original packaging until I approve it.

Homework: There will be homework assigned practically every day and will be due and checked at the beginning of class. The assignment should be kept in the math notebook. To receive credit for your homework assignment, at least half of it must be completed. Occasionally, an assignment might be difficult to complete or hard to understand. In this case, the assigned problems must be copied onto your homework paper along with any work you were able to do in order for you to receive credit. The homework assignment can be found [HERE](#) (the link is also in our Google classroom)

https://docs.google.com/presentation/d/1dSB-2yj0NrRitLU5hTzyaGb2fJlfmKBptqzUiaHk71Q/edit#slide=id.ged1e133baa_2_459

Grades: Quarterly grades are based on tests (50%), quizzes (30%) and homework (20%).

A cumulative final exam will be given in June. There is no extra credit given.

The NYS Math 8 Assessment will be taken online sometime in April or May where students will be using their Chromebooks to record their answers. We will practice recording answers using a stylus and our fingers on the touch screens throughout the year.

Absences: You are responsible for ALL missed work, including homework and class notes. If you are absent for a test or quiz, you will be required to take it the day you return. If you are absent the day *before* a test, you can take the test the second day after you return.

Class Procedures:

1. Be on time and in your seat when the bell rings.
2. Cell phones and smart watches should be stored in your backpacks during math class.

3. When homework is assigned at the end of the period, you are expected to begin the assignment in class and work on it until the bell rings if time permits.
4. Remain seated until the bell rings.
5. If **Mrs. Wright** is absent from school and you have a substitute, you are responsible to complete all of the work assigned in class. If the work is **not** completed in class, you will have detention after school with either Ms. Hasbrouck or Mrs. Wright the next day she returns.

After-school help will be offered by appointment. I will be available at least once a week.

Communication:

It is best to communicate with us via email, as we check it regularly.
